

# CHESTERTON ACADEMY

## OF THE MOST HOLY EUCHARIST

UPDATED FEBRUARY 2024

Below is the program of after-school offerings we are currently able to offer based on faculty availability.

We ask that students are signed up 24 hours before an after-school activity so that the supervisor can plan accordingly.

**Parents:** Please email Laura Contreras at [lcontreras@camhe.org](mailto:lcontreras@camhe.org) to sign up your student.

**Students, Parents:** If a student notifies a teacher that he or she would like to attend an after-school program, expect confirmation text to be sent to parent.

*Nonparticipating students cannot remain on campus unsupervised.* If they cannot be picked up, students are encouraged to visit the Blessed Sacrament in the church. If a faculty supervisor is unable to make an afterschool activity, he or she will advise relevant parties with 24 hours notice.
